## Moving Equality Forward

### Schools in Transition

The National Center for Lesbian Rights, Gender Spectrum, the Human Rights Campaign, and ACLU of Northern California proudly introduce *Schools In Transition: A Guide for Supporting Transgender Students in K-12 Schools*, a first-of-its-kind publication for school administrations, teachers, and parents about how to provide safe and supportive environments for all transgender students, kindergarten through twelfth grade.

More and more transgender students of all ages are asking their families and communities to support them in living their lives authentically. *Schools In Transition* will help schools create a safe and supportive environment for all children. Read and download the guide here:

### Request to Rescind Religious Exemptions

On August 20th, PFLAG National and 129 other organizations sent President Obama a letter requesting that he rescind the 2007 RFRA Office of Legal Counsel (OLC) memo exempting religious organizations from federal nondiscrimination laws when applying for federal funds, stating that it relies on flawed legal analysis. This is the first outreach directly to The President. A previous request was made to then-Attorney General Eric Holder, in 2009 and 2014, as well as to the head of the White House Office of Faith-based and Neighborhood Partnerships in 2013. ▼

### Three Christian Colleges Recognize LGBT Employees

Since the Supreme Court marriage equality ruling on June 26th, some Christian colleges have begun responding favorably. As of July 23rd, Goshen College, Eastern Mennonite University, and Hope College have amended their policies to include employees in committed, monogamous, same-sex relationships. By also adding "gender identity," Goshen College and Eastern Mennonite University are opening their doors to the transgender community as well. ▼

## New PFLAG Support Group for Parents, Families & Friends of Transgender Children September 5 & October 10, 10 AM

Our San Jose/Peninsula Chapter has been contacted frequently in recent years by parents of transgender children seeking support. While parents of children with gender identity issues have always been welcome at our meetings and supported by members whose children have sexual orientation issues, there is recognition that the experiences are different.

Anthony Ross of Outlet and Adolescent Counseling Services came to the March Redwood City meeting to spark a discussion about how to support parents of the growing population of transgender teenagers in particular. A couple of our members who were at that meeting, and who are parents of transgender children now in college, stepped forward to organize and lead a new support group to meet that need.

We meet in the Redwood City Library Community Room, 1017 Middlefield Road, between Jefferson and Main. Meetings are held on the first or second Saturday of the month at 10:00 AM.

All parents, families and friends/allies of transgender persons are welcome — please join us! For more information, email: [Trans@pflagsanjose.org](mailto:Trans@pflagsanjose.org)

NOTE: Redwood City requires this disclaimer on publicity for events held on city premises: *The meeting space is provided as a community service by the City of Redwood City. The City neither sponsors nor endorses this event nor the presenting individual or organizations.* ▼

## PFLAG Membership Dues

Membership renewal notices for 2016 will be mailed this month! Our annual membership renewal period is October 1—January 31. Dues received after October 1 will be applied to next year, but your membership begins as soon as received. Paying your dues on time is a great help, and you can join or renew by mail, or online at: [www.pflagsanjose.org](http://www.pflagsanjose.org).

Donations at the Benefactor, Angel, or Diva level, or to our Scholarship Fund, are deeply appreciated. Many employers offer matching programs that could double your contribution. If you ask your employer to make a matching gift, you will need to give them our EIN (Employer ID Number): 7702544991. See *The Gift of Giving* brochure on our website for more information.

On behalf of our chapter, we thank you for your commitment to the mission of PFLAG and all you do to help us achieve our goals of support, education, and advocacy.

## Join the San Jose/Peninsula PFLAG Speaker's Bureau!

By sharing our own personal experiences face-to-face, we aim to educate others about the issues that face lesbian, gay, bisexual and transgender people and their family members. Through the power of personal experience, we can deconstruct stereotypes, misinformation and negative attitudes so prevalent in our society, and create a more compassionate, understanding and unified world.

## Letters from PFLAG Scholarship Award Winners

Dear PFLAG of San Jose,

Thank you for the generous award. It is because of your generosity that I am able to achieve my dreams. I will continue to fight for LGBT issues and acceptance when I attend UCSC in the fall, and once I graduate and enter the workforce or attend graduate school.

Many thanks,  
J.

Dear Marti,

I'd like to thank you and PFLAG so much for helping provide this opportunity to me and countless other students. Without the scholarship, I would not be able to attend SFSU, let alone any other college! It makes me so happy to know that LGBTQ students and allies are being touched by PFLAG's work. I will carry on my activism into college and beyond. Thank you so much for changing my life. PFLAG will always be a part of my heart.

With love & thanks,  
S. ▼

## Volunteers Needed! — LGBTQ Peer Counseling Training Begins September 21

Join the volunteer peer counselor team at Peninsula Family Service and make a positive difference in the lives of LGBTQ older adults in San Mateo County. LGBTQ senior counselors are most needed, but allies are also welcome.

Volunteer training will start September 21, 2015, and continue on Monday and Tuesday mornings for six weeks. The trainings will include counseling skills, such as active listening, understanding diverse cultures, and working with older adults on a wide range of issues such as grief, depression, anxiety and wellness. By helping people through sharing your values, wisdom and culture, you are also expanding your experience, skills and knowledge.

LGBTQ and other older adults in need can also call us for our free peer counseling service.
